

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. THE account of the Ledsham Registers will, perhaps, be best explained by the following extract at the end of the third volume :—

“A duplicate of the answer returned to the Clerk of the House of Commons to the enquiry as to Parish Registers now extant in the Parish, Ledsham.

“No. 1. Register of Baptisms, Marriages and Burials intermixed from Oct. 9, 1539, to Dec. 15, 1653. There is a deficiency of nine years, from 1597 to 1606, which appears to have been lost.

“No. 2. Contains register of Baptisms, Burials and Marriages intermixed from Dec. 1653 to March, 1772. This book is entire.

“No. 3. Contains Registers of Baptisms, Marriages & Burials from March, 1772, to Dec^r. 1812. This book is also entire.

“No. 4. A register of Marriages from May, 1754, to Dec. 15, 1812, being in some respect a Duplicate of No. 3 for the Marriages of that period.

“CHARLES MEDHURST, Vicar,
“Ledsham, June 16th, 1832.”

There are three interesting entries of persons who have found a place in the "Dictionary of National Biography."

Ralph Thoresby, the Leeds Antiquary, was married to Anna Sykes 25th February, 1684-5.

Lady Elizabeth Hastings, the Philanthropist, was buried 22nd January, 1739-40.

Benjamin Ingham, the founder of the Inghamites, was buried 10th December, 1772.

The View of the Church has been kindly presented by Mr. JOSEPH SCOTT, a member of the Society, who has also given a donation towards the printing of the Registers.

It only remains for the Editor to thank the Rev. T. H. McDougall, the late, and the Rev. J. H. Heath, the present Rector, for their kindness in allowing the Register to be printed, and for giving every facility for its transcribing.

INFAUSTUM OMEN!

Flebile principium melior fortuna sequatur
Vivit in cælo anima, vivit in terris memoria
Femina in exemplum nata, sui præclarum sexus specimen et
Totius etiam orbis insigne ornamentum,
Cujus religionem Hospitalitatem Rostra publica, Aedes
Private ubique, eulogia resonant.
Quis desiderio sit pudor aut modus
Tam cari capit is?
Cui pudor et justicæ soror
Incorrupta fides, nudaque Veritas,
Quando ullam invenient parem
Multis illa bonis flebilis occidit.
Nulli flebilior quam mihi.

Yorkshire Parish Register Society.

REPORT FOR 1906.

THE Council of the Yorkshire Parish Register Society have the pleasure to present their Eighth Annual Report. The number of Members on the Roll is 228, the same as in 1905.

During the year the Register of Grinton was issued for 1905 and the Register of Hackness for 1906. For the latter year Ledsham and Rothwell (Part I) will be issued as soon as the printing of the Index for Ledsham is completed. For 1907 the Registers of Gargrave, Terrington, and Thornhill (Part I) are in the hands of the printers, and the first-named is entirely in print, with the exception of the Index. It is intended that the Registers for 1908 shall be Otley (Part I), Howden (Part III), Askham Richard and Allerton-Mauleverer in one volume.

The Registers of Aberford, Church Fenton, Cowthorpe, Crofton, Emley, Garforth, Giggleswick, Hook, Hornby, Kirklington, Saxton, Sowerby (near Thirsk), Thorparch, &c., either have been or are being copied. Donations have been promised towards the printing of Otley, Featherstone, Aberford, Thorner, Ackworth, Snaith, and Ecclesfield.

It is very desirable that new Members should be added to the Society, and the Council will be glad to receive the assistance of the Members in this respect.

The Earl of Liverpool, the Rev. W. J. Stavert, and Messrs. S. M. Milne and William Brigg retire from the Council by rotation, and they and the Officers of the Society are eligible for re-election.

R U L E S.

1. That the name of the Society shall be "THE YORKSHIRE PARISH REGISTER SOCIETY," and the Society shall have for its objects the transcribing and printing of the Parish Registers in the County of York, and such Bishops' Transcripts as may be accessible.
2. That the affairs of the Society shall be governed by a Council, consisting of a President, two Secretaries, and a Treasurer, with not exceeding twelve other members.
3. That the officers and one-third of the members of the Council shall retire annually, but shall be eligible for re-election.
4. That three members of the Council shall form a quorum.
5. That the subscription of members of the Society shall be One Guinea per annum, which shall entitle them to the publications for the year; but the name of any member whose subscription shall be two years in arrear shall thereupon be removed from the Society, and shall not be re-admitted until all arrears have been paid. New members may be elected by either the Council or the Society.
6. That the subscription shall be due on the First of January in each year, and that no work shall be issued to any member whose subscription is in arrear.
7. That an Annual Meeting of the Society shall be held in the month of February in each year, of which at least seven days' notice shall be sent to all the members. At this meeting a report of the work of the Society, with a statement of the income and expenditure, shall be presented. These shall be annually published, together with a List of Members and the Rules of the Society.
